

03:58:14 [glen] I have a plan 😊

03:58:35 [charleyh] All ears.

03:59:36 [newflyer] hi guys

03:59:40 [KeithB] It's a big plan, or the power went out 😊

04:00:04 [glen] I have randomly assigned a number to each finalist and it is posted on a secret web page. I am going to get one person to count down while some or all of us have a number from 1 to 10 ready to send....

04:00:07 [charleyh] LOL

04:00:12 [glen] heheh Keith

04:01:21 [glen] at "zero" you guys enter your number and I enter the URL..... the last digit of the sum is the winners number 😊

04:01:59 [charleyh] sounds good

04:02:27 [glen] the Key will be to hit send at the same time – any numbers arriving 30 seconds after "zero" will not be counted...

04:02:53 [glen] Hi Lyle!

04:03:01 [glen] Hi Grant!

04:03:18 [newflyer] hi glen
